Change of Major forms require approval of the change by the current and new major department. Your current major adviser must approve the deletion of your current major and your new major adviser must approve the declaration into the major. You will be required to meet major and minor requirements stated in the current General Catalog at the time you submit your change or declaration.

- NEW PREMAJOR—to declare a new premajor**
- CHANGE FROM PREMAJOR TO MAJOR—for approval to change from premajor to major**
- NEW MAJOR—to declare upper division major**

ALL MAJORS have specific requirements for admission. You will be a **PREMAJOR** until the criteria for admission to the major are met. Take your degree evaluation to the adviser in your major department for approval to change to upper division major status. For more information about impacted major requirements, refer to the General Catalog or visit www.sdsu.edu/impactedmajors.
