

Declaring a History Pre-major

Becoming a History pre-major is simple. You need only visit Dr. Parker (lparker@mail.sdsu.edu) in the History Department, the fifth floor of the Arts and Letters building.

Pre-majors can take most upper-division history courses as long as their prerequisites (if any) are met.

In order to progress from pre-major to major, students must successfully complete four lower-division courses including both sections of world history (100 and 101) and your choice of two surveys from 105, 106, 109, and 110.
